To: [REDACTED] <[REDACTED]>

BruinALERT: The encampment demonstration that formed early yesterday morning (Thursday, April 25) remains in Royce Quad today.

To date, the activity has been mostly peaceful. We continue to actively monitor this situation to support a safe and peaceful campus environment that respects our entire community's right to free expression while minimizing disruption to our teaching and learning mission.

At this time, the same access restrictions to Royce Hall and Powell Library remain in place and students should be prepared to show their Bruin Card for entry into these buildings. While in the area, you may also hear helicopter activity that is associated with the news media covering the demonstration.
